PERSONAL SUMMARY

I'm a hardworking and imaginative young developer/designer who is able to work alongside other talented IT professionals in creating websites to the very highest standards. I have a high awareness of industry issues and trends, particularly in regard to accessibility and emerging technologies. I am a very ambitious type who wants to get noticed, and has the drive and massive energy needed to really make a difference to a project. I'm now looking for a full-time level position with an exciting company that wants to attract talented people like me.
